

# 429 EXECUTIVE INTERIOR UPDATE

For Bell Customers  
Updated January 22, 2020

# Current Corporate and New Executive Interiors

## Current Corporate

## New Executive

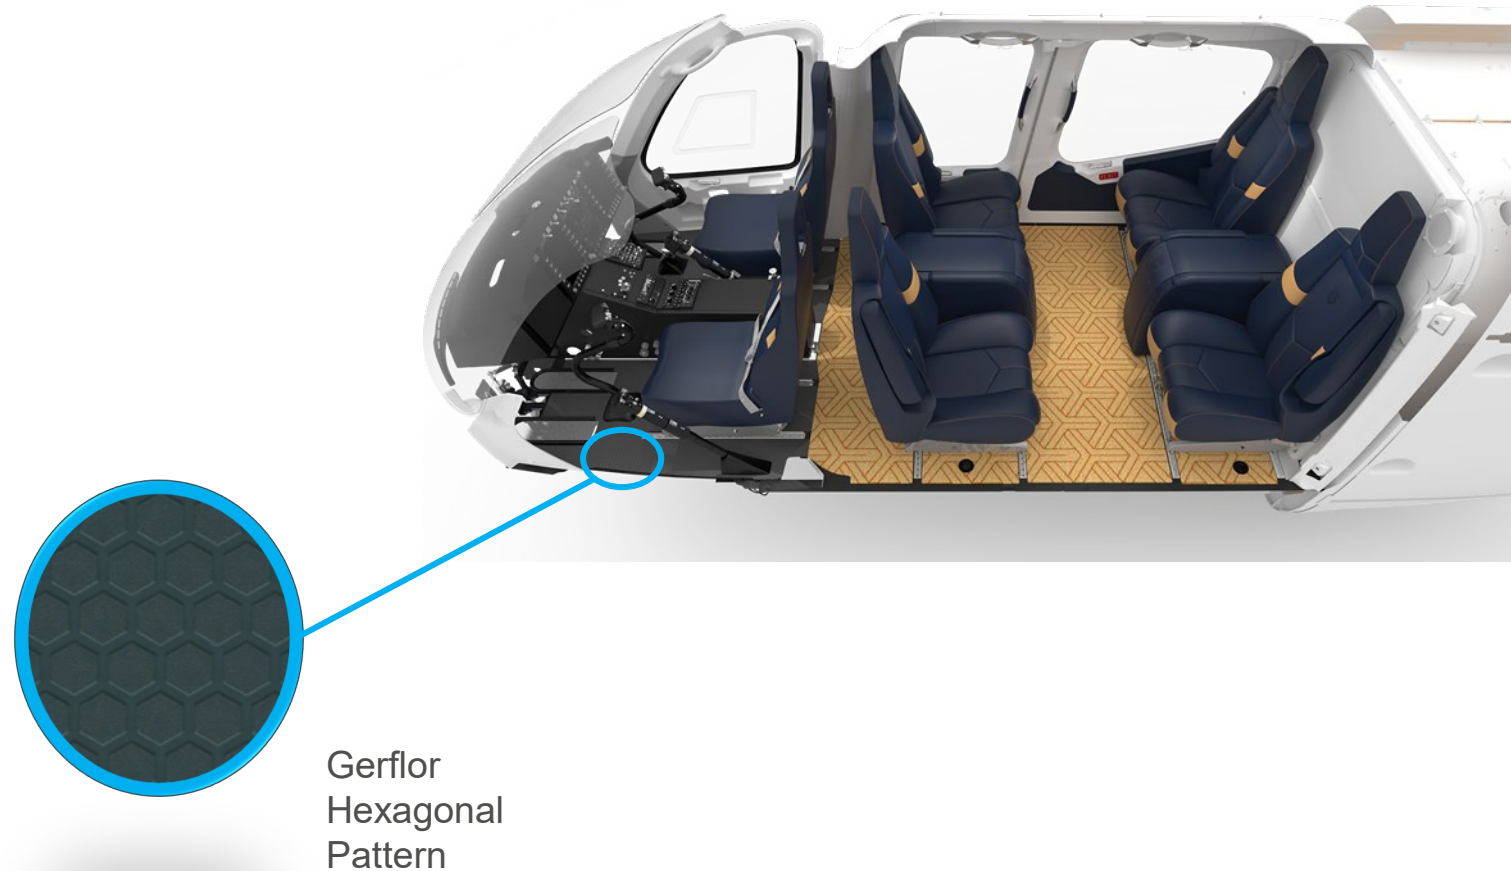

# New Executive Cockpit

## Gerflor for all Executive Options

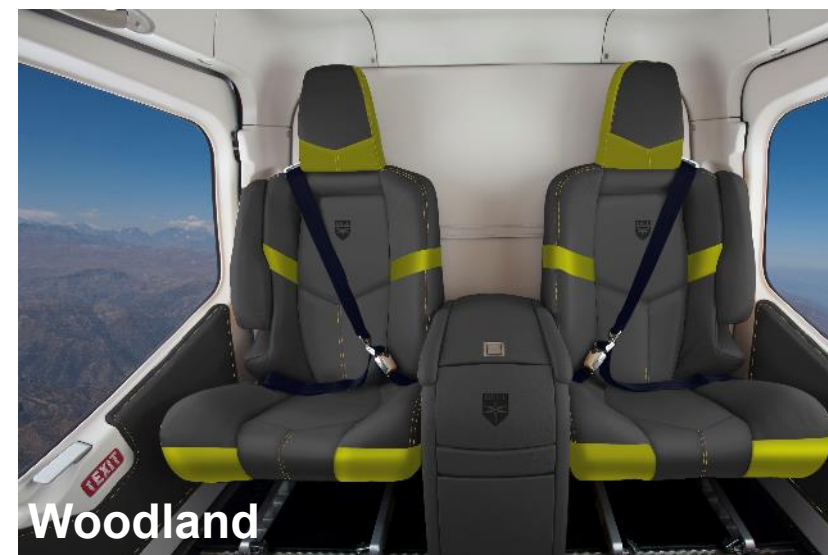

Currently, all Corporate aircraft customers order floor protectors to cover the carpet in the cockpit.

The new Executive interior features a stylish technical flooring that doesn't need protection, enabling the pilot to perform while retaining a quality look.

# 429 Executive Interior

# Replaceable Seat Covers

## Current Corporate

## New Executive

- Relocation of seams and zippers instead of Velcro for better fit
- Removable upholstery to allow repair/replacement in the field

# Executive Kit Impact

Configuration	Kit Percentage Weight Increase	2020 List Price
Four 21.5-inch seats, two consoles	2% - 6%	TBD
Two 21.5-inch seats, three 18.5-inch seats, one consoles	2% - 6%	TBD
Six 18.5-inch seats, no consoles	2% - 6%	TBD

Based on current 298 lb Corporate Kit weight  
 Variance depends on color scheme chosen  
 There will be one price per seating config, regardless of color scheme

# New emergency warning decal designs

## Current Interior Decals

Contrasting background ensures readability. Visual appeal can be improved

Patent Pending

## New Interior Decals

Contrasting outline ensures readability, transparent background enhances visual appeal and pictorial design reduces part quantity

# Updated Headliner Air Valves and Lights

**Birk lights and air valves, along with a different Otto switch, can accept a wider variety of platings without redesign**

**These parts are drop-in replacements, and don't require headliner design changes**

Current (<-) and new (->) lights and air valves

# Material / Component Updates

Adding  
upholstery  
closeout

**Current**

**New**

- Proposed changes to the mic jack and seat belt guide closeouts to give a cleaner look, protect the leather and reduce guide weight.

Current rubber handles replaced by plated metal handles with leather wrap to match the interior

**Current**

**New**
